Possible country or countries of university study			
Is Switzerland a potential destination?	Yes	No	Swiss universities are especially restrictive in the subjects that they accept for entrance into public universities. If your child is considering a Swiss university for future study it is essential to check their chosen subjects against the requirements outlined at <a href="https://www.swissuniversities.ch/en/themen/zulassung/zulassung-universitaere-hochschulen/international-baccalaureatete">https://www.swissuniversities.ch/en/themen/zulassung/zulassung-universitaere-hochschulen/international-baccalaureatete</a>
