

Governance at ISL

The International School of Lausanne is a not-for-profit association registered under Swiss law.

The Association

The ISL Association is:

The ISL Association is a legal entity, registered as an Association under Swiss law, responsible for the affairs of the school. The Association is composed of the members of the Board and of four members of the PTA Executive committee. It is governed by the Board and registered with the *Registre du Commerce du Canton de Vaud*.

A General Assembly is held once a year during which the finances and budget are approved and new members to the Board are elected.

The Board

The ISL Board is composed of eight to twelve members who are elected for three years at a time by a majority vote of Association Members at the Annual General Meeting of the Association or Extraordinary General Meeting. Meetings of the Board take place periodically during the school year, and at least every two months. The School Director attends Board meetings without voting rights as do the Primary School Principal, the Secondary School Principal, the Head of Finance, the Executive Assistant, two staff representatives (one representing the Primary School and one representing the Secondary School), and the PTA president. Other individuals can be invited to attend meetings in whole or in part as required.

The Board is composed of members who are representative of the community, who have shown commitment to the school and/or who possess skills that are critical to the Board. For more details on the nomination process and election of Board Members, please consult Article 7 of the statutes.

The Board Structure

A large portion of the Board's work is executed in, through, or with the support of various committees. The purpose of each committee is to oversee relevant issues on behalf of the Board, and/or to prepare recommendations for Board consideration and approval. In addition, the committees provide support and guidance to the Director and his staff, as and when relevant. The Director naturally plays a significant role in most of the committees. Furthermore, each committee may call upon additional assistance from members of staff and/or the school community.

Some of the committees are standing i.e. permanently active in one form or another, while others are more project, or specific-needs oriented and may be discontinued when their purpose is served.

Once a year, the Board establishes a suitable committee structure for the coming period in order to best address the tasks and objectives laid down in the current version of the Strategic Plan.

The present ISL Board has five committees as follows:

- Executive Committee - executive function and issues, communications, including community relations and information channels.
- Finance Committee - financial governance, advice and control.
- Governance Committee - governance issues, legal affairs and policy matters. Also ensures that processes are in place to safeguard ISL's progression in excellence in education.
- Nominating Committee - new Board member candidate search, interviews and proposals, as well as succession planning for the Board and School leadership.
- Development Committee – strategic guidance on ideas and direction on development with a focus on fundraising and asset utilisation.

Additionally, there is:

- A Diversity and Inclusion taskforce to support the school in defining diversity and inclusion at ISL.
- Two Child Protection Officers who act independently from the Board and support the school's Designated Safeguarding Lead team in taking actions and decisions in the best interest of students.

The Board Responsibility

The ISL Board is the guardian of the school and constantly monitors its success in fulfilling its mission. The Board and School Director therefore work in partnership to ensure that all the necessary conditions are provided to fulfil the aims defined by the school, anticipate what the needs might be in future and redefine the school's policies in accordance with those needs.

The ISL Board's responsibilities are defined as follows:

- Setting long-term vision
- Defining the mission
- Approving policies
- Ensuring adequate resources
- Recruiting, monitoring, assessing and retaining the Director
- Complying with legal standing and statutes
- Ensuring appropriate transparency and communication
- Assuring quality.

The Board employs the Director to lead the school. The Director and his staff are therefore responsible for all matters related to the day-to-day running of the school.

Who to contact

A parent or guardian with a concern on any school matter should always first approach the staff member(s) directly involved or concerned.

- If the concern relates to day-to-day administrative matters, the following should be contacted:
 - Admissions: admissions@isl.ch
 - Portals: NMeier@isl.ch
 - Trips: trips@isl.ch
 - School access and school bus service: transport@isl.ch
 - Cafeteria: cafeteria@isl.ch
 - After-school Care: asc@isl.ch
 - General: info@isl.ch
 - Finance: ar@isl.ch
 - Communications, public relations, or alumni: communication@isl.ch
 - Activities and Sports Competitions: asa@isl.ch
 - Home Language programme: homelanguage@isl.ch
 - Instrumental/ Vocal lessons: musicadmin@isl.ch
- Matters relating to the overall functioning of the school should be addressed to the Director.
- If the concern is academic, the homeroom teacher (Primary School) or subject teacher (Secondary School) should be contacted, initially. If required, then contact the appropriate principal.
- If the concern is about student well-being, one of the homeroom teachers should be contacted in the first instance. If required, then contact the appropriate Year Level Leader, Principal or, in the Secondary School, the Student Counsellor.
- If the concern relates to a more general issue, the appropriate Principal should be contacted.

Board Members

This year, the ISL Board is made up of the following members:

Ms Gayatri Bahadur

Gayatri was born in Switzerland to Indian parents and subsequently enjoyed an international upbringing and education in Hong Kong, Turkey, China, and Switzerland again where Gayatri graduated from ISL in 2010.
