

Diploma Options Form 2022 – 2024 v.3

Student name		Are you intending to just focus on the ISL High School Diploma?		Homeroom		
Transfer your subject choices into this timetable by circling one subject in each column below (A-F). Please be aware that not all subject choices may still be available and not all combinations are possible. If you are intending to just focus on the ISL High School Diploma - and not take the IB Diploma - please speak to Mr Humphrey. A school-supported self-taught language A: literature SL course in the final column could replace one column in A-F – please speak to Mr Humphrey if you are interested in this option.
